Re: File No. M/010/036 and S/010/049

Dear Mr. Hedberg,

Enclosed are the two annual reports from Twin Mountain Rock Company for the year 2001. One of the annual reports is for the ballast quarry while the other is for the adjacent small riprap pit. In addition, a map outlining our current permit and operations has been provided.

Sincerely,

**Twin Mountain Rock Company**
